

Burger King approves VITO® globally

Congratulations on your approval and thanks again for your continued support of the BURGER KING® System.

Sincerely,
BURGER KING EUROPE, GmbH

Seth Downs
Director of Equipment Innovation
Global OPS R&D, Brand Planning

The approval states:

- 🔹 VITO® 50 & VITO® 80 are now listed
- 🔹 The next Issue of „Approved Brands Lists“ states VITO as approved supplier

Case Study results:

- 🔹 30% oil cost savings, guaranteed and approved
- 🔹 Labor savings
- 🔹 Easy and safe handling around the fryers

VITO works perfectly on its own and on top of built-in filtrations:

- 🔹 Frymaster
- 🔹 Pitco
- 🔹 Henny Penny

Thank you...

to the Burger King teams in Miami, Singapore and Switzerland for the cooperation, especially Stefan Streckfus, Yi Li, Sebastian Martinez, Dirk Ehegoetz!
