ECOFRY air fryer

Inox

- Homemade healthy cooking: It's designed for frying, baking, roasting and heating with hardly any oil.
- It has 8 pre-set automatic programmes for making all kinds of recipes in a fast and healthy way: chips, chicken wings, pizza, etc.
- All the functions have a preheating time to get optimal results.
- **TotalCook Technology:** It distributes heat uniformly with high speed hot air.
- High capacity: 5.5 litres (basket).
- Intuitive and very easy to use: Thanks to the digital screen, you can set the time (up to 60 minutes), temperature (from 40°C to 200°C) and use 8 pre-set programs.
- **TotalSafe:** The body and handle stay cool while you cook.
- The removable non-stick basket/container is 100% PFOA free.
- An exclusive cookbook designed by Lacor for the 8 programmes in 3 languages is included.
- The non-slip base ensures maximum stability during use.
- Easy to clean: The accessories are dishwasher safe.
